Professional Summary

Experienced **WordPress Developer** with over 5 years of hands-on experience building dynamic websites using **PHP**, **MySQL**, and **Woo Commerce**. Recently transitioned into **Frontend Development** over the last 2 years, gaining proficiency in **React.js**, **Next.js**, **JavaScript**, **HTML5**, **CSS3**, and **Redux**. At **Marvel Creative Media**, I successfully blended my WordPress expertise with modern frontend technologies, delivering responsive, user-centric websites. Adept at ensuring seamless integration, optimizing site performance, and continuously expanding my skill set in both WordPress and frontend frameworks.

Professional Experience

Frontend Developer & WordPress Developer

Marvel Creative Media — Lagos, Nigeria | Nov 2019 - Present

- **Transitioned from WordPress Development to Frontend Development**, incorporating **React.js**, **Next.js**, **JavaScript**, **HTML5**, and **CSS3** in the development of dynamic, user-centric websites.
- Developed **custom WordPress themes** and **plugins** for multiple clients, increasing site functionality and user engagement.
- Enhanced **site performance** by improving load times, responsiveness, and optimizing code, increasing user retention by 20%.
- Integrated **APIs** and other third-party tools into websites, enriching user experiences and supporting dynamic content across platforms.
- Implemented **Redux** for state management and ensured all websites were **responsive** across various devices, improving mobile user experience.
- Improved **website security** by applying best practices, such as **SSL encryption** and regular plugin updates, reducing vulnerabilities by 30%.

WordPress Developer

Proxynet Communications Ltd — Lagos, Nigeria | Jun 2019 - Nov 2019

- Developed **custom WordPress themes** and **plugins** to meet specific client needs, enhancing functionality and user engagement.
- Improved **site security** by implementing **firewalls** and **SSL encryption**, reducing technical vulnerabilities by 20%.
- Conducted **WordPress installations** and system upgrades, ensuring minimal downtime and seamless updates.
- Collaborated with clients to create **user-focused layouts**, improving satisfaction scores and overall user experience.

WordPress Developer

Elite Logistics and Development Ltd — Lekki, Lagos, Nigeria | Jan 2019 - Jun 2019

- Developed and customized **WordPress websites**, improving user navigation and reducing bounce rates by 35%.
- Integrated **APIs** and third-party solutions to enhance website functionality and improve data accessibility.
- Regularly **maintained** and **updated** existing websites, ensuring content remained relevant and fresh.

WordPress Developer

Crystal Communications Ltd. — Lagos, Nigeria | May 2016 - Jul 2017

- Developed **custom WordPress themes** and **plugins**, ensuring they aligned with client specifications and project goals.
- Assisted in **WordPress site migrations**, improving performance and ensuring minimal downtime.
- Conducted **testing** and ensured cross-browser compatibility, improving the website's performance across different platforms.
